

Playford

9633N2TV4

Hi-vis softshell with ARC protection

Without a doubt the best of our multi-norm products. The Playford hi-vis softshell is top of the line. Designed in two contrasting colours, it looks stylish and sporty, but at the same time it offers excellent arc protection. This softshell with sleeve narrowing and standing collar is waterproof and fitted with reflective FR strips. The Playford is furthermore equipped with one inside pocket, and plenty of functional storage options (one chest pocket, two inset pockets, and one loop for gas detection meter) on the outside. The Playford can be worn separately, or as extra lining in other multi-standard raincoats.

Hi-vis softshell with ARC protection

Playford - 9633N2TV4
