SIOPOR®
ULTRA

Hi-vis winter bomber jacket with detachable sleeves

The Campbell hi-vis winter bomber jacket offers excellent protection against the cold and the rain. The jacket is not only waterproof, but also the SIOPOR® material ensures that the jacket breathes so that you never experience an unpleasant clammy feeling. On warmer days, the fleece, the hood and sleeves can be removed. With arm, chest and side pockets, this is a very handy bomber jacket with storage space for ballpoint pens, a phone and a badge. This light jacket with extended back is easy to adjust to your body with narrow mechanisms at the wrist and waist. In short, the Campbell is the ideal winter bomber jacket for working safely and comfortably in cold and wet weather.

Hi-vis winter bomber jacket with detachable sleeves
