

Genova

9833A2TU2

Hi-vis softshell jacket

The Genova is a warm, comfortable and well-fitting softshell that is very easy to maintain. It protects you against the wind with the windbreaker lining at the front, the standing collar, the inner flap behind the zipper and the sleeve narrowing by means of touch and close fastening. The sleeves of the softshell are ergonomic and the reflective tape is elastic so that you are not hindered in your movements, but you are quick to defy the cold.

Hi-vis softshell jacket
